

# Welcome to The Woodhaven-Brownstown School District's ParentConnection

**AN ONLINE RESOURCE FOR PARENTS**

*Zangle's ParentConnection is a Web application that provides parents with direct access to student data via the Internet. Using a confidential PIN (personal identification number) and password, parents can connect to the school district's student database using a web browser and view their child's data, such as attendance reports, progress reports, report cards, transcripts, and more.*

## To log on to ParentConnection

Follow the instructions below. From a computer with Internet access, open a Web browser (e.g Microsoft® Internet Explorer), and follow steps listed below.

**If you have not received, or have lost your logon information, please contact the phone or e-mail listed at the end of this document. Please note that you must be listed as parent or guardian to access your child's information.**

### **A NOTE REGARDING AOL:**

**\*America Online® (AOL®) users MUST Open Microsoft® Internet Explorer in a separate window. ParentConnection WILL NOT open while using the AOL browser.**

## 1. Enter URL address:

<https://zangleweb.resa.net/woodhaven/parentconnect/>

## 2. Enter PIN and Password, click Logon:

**PIN:** This number is a unique number assigned to each contact randomly by the computer. Your personal identification number or PIN **cannot** be changed.

**Password:** Use the default assigned password for your first logon. Passwords are randomly generated and are **CASE SENSITIVE**. It is suggested you change your password the first time you connect (see *Account Maintenance* instructions on next page).

Underneath the logo, it says "Copyright ©2000-2003 C-Innovations, Inc. All rights reserved." In the center, there is a login form with two input fields: "PIN" and "Password". Below the form are two buttons: "Logon" and "Reset". A red arrow points from the "Enter PIN and Password" step to the login form.

**Problems with your password?:** Call 734-789-2387 or e-mail [parentconnect@wbsdweb.com](mailto:parentconnect@wbsdweb.com)

**NOTE:** See #4 in this document for instructions on how to change your password. You may choose to use both alpha and numeric characters for your new password. **Passwords are case sensitive.**

## 3. Select a Student:

If you have more than one student enrolled in the district, you will have the opportunity to view data for each student by selecting the student from the drop-down list.

# 4. Navigate the Site

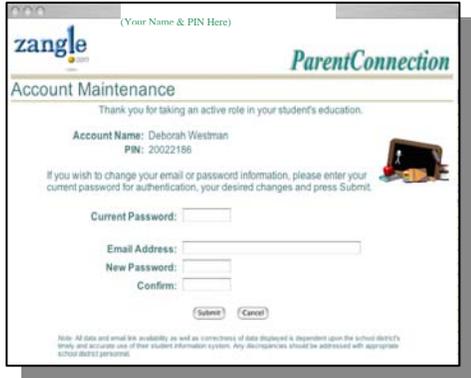

Located in the upper right corner of the web page.

## Account Maintenance

The Account Maintenance dialog box enables you to change or edit your password. It also gives you an opportunity to add your home or work email address, which will add you to the district database for future communications. In the event that you forget your password, if your email address is entered you can have it sent to you by email.

**This email address will not be distributed outside the district.**
